

# Fund Raising Opportunity

## Who can participate?

Almost any not for profit organization, school and/or school sponsored or recognized group (ie. booster club, cheerleaders, band, parent group, etc.), civic organization, fraternity, sorority, church group, charity, etc., can participate.

## How does the program work?

Your organization or school sends a letter to Robidoux Resident Theatre (RRT) stating you want to participate in the Haunted Drive In fund raising program. RRT will make a coupon for your group or groups and send the coupon(s) back to you. Your group can make as many copies of the coupon as you wish and distribute as many as you want to whomever you want. People presenting the coupon at the gate do NOT have to be a member of your organization or a student at your school.

For each coupon presented at the Haunted Drive In with a paid admission RRT will send your group \$1.00 (one dollar).

## Your request to participate in the fund raising program must be in writing on your organization's letterhead.

Multiple groups within any organization can participate. For instance, if you are a school and several groups within your school want to participate such as the band, the cheerleaders, the booster club and your PTA/PTO, simply say so on the letter your school sends to RRT and we will make a separate coupon for each group. RRT will send your school ONE CHECK for the entire amount but will give you a breakdown of how many of each group's coupons were received. Your school can then distribute the monies to each group accordingly.

ONLY COUPONS FOR ORGANIZATIONS REGISTERED WITH RRT IN THE FUND RAISING PROGRAM WILL BE HONORED.

## How do we register to participate?

Send requests to participate **IN WRITING, ON YOUR GROUP OR SCHOOL LETTERHEAD** to:

The Haunted Drive In  
c/o Robidoux Resident Theatre  
126 South 8<sup>th</sup> Street  
St. Joseph, MO 64501

Be sure to include contact name(s) and phone number(s).

If more than one group within your school or organization is participating please state that you want a coupon for each of the separate groups and name each group individually. A sheet of coupons for each separate group will be sent to your organization. Coupons received at the Haunted Drive In for each separate group will be tallied and ONE CHECK for the total of all coupons from each group will be sent to your school or organization and will include a breakdown for each separate group. Your school or organization can then distribute the money to each separate group.

**Offer NOT valid with any discounts**
